**APPLY NOW to ENRIITC
your Industry Outreach!**
*Deadline 31 August 2021
at 17:00 CEST*

ENRIITC is funded by the European Framework for Research and
Innovation Horizon 2020, under grant agreement 871112

What can I do?

- Pilot events for research infrastructures to engage with industry
- Events may be face-to-face, virtual or hybrid and may be regional, national or international in scope
- Target audiences may be upstream/industry as a supplier, downstream/industry as a user, or co-development and joint innovation with industry, or a combination of these targets
- Style, contents, tools etc are up to you

We will seek to support events having value to the ENRIITC network, and demonstrating the role of research infrastructures in industry needs.

Eligibility

- To be an Associate research infrastructure or partner to the ENRIITC project
- To assign an appropriate staff member who will be responsible for the organisation of the event
- To have attended one or more of the first series of ENRIITC your Knowledge training webinars

What can I get?

- ENRIITC will support applications of up to 5,000 Euros
- Use for facilitation and licence costs for on-line events, staff costs for organisation, speaker travel costs and catering costs for face-to-face events
- Events must be done by 31 March 2022 with full report due one month after the event conclusion
- (bills, receipts, best-value-for-money!)
