Introduction

What to expect in this series?

- The **ENRIITC** project aims to build a **permanent pan-European network of Industrial Liaison and Contact Officers (ILOs and ICOs)** and enable industry to become a **full partner of research infrastructures** whether it is as a user, a supplier, or a co-creator.
- **ENRIITC your Knowledge** is a series of online training and organisational webinars targeted to experts involved in setting up **collaborations between Research Infrastructures and Industry**, such as **ILO** and **ICO**.
- The overall aim of this webinar series is to **share knowledge, expertise, skills and best practices amongst ILOs and ICOs**.
- ENRIITC project is led by the **European Spallation Source** with **five RIs and five ILO organisations** in the consortium.
